Daycare News

December has been an exciting month with lots to celebrate around the Holiday Season. Thank you for attending our Holiday Pot-Luck party in early December. It was great to see the families mingle and enjoy the children's concert. As part of our holiday festivities the children enjoyed a visit from Santa, a pizza day and Pajama week! A highlight for all age groups was the fantastic puppet performance by *Entangle Puppetry*. The themed holiday show included a special message revealing the true meaning of the season. A carol-signing ogre played the ukulele and a prince tried to find a true princess in a modern take on the Princess and the Pea. This month the older groups participated in Lantern workshops in preparation for the Lantern parade in late January. The Grizzlies visited the Seniors at Bow River Lodge to sing carols and spread holiday cheer. All classes have enjoyed a variety of winter activities including making snowmen, catching snow-flakes, snow-painting, sledding and skating.

As we enter into 2015 we would like to send you all best-wishes for the New Year. We hope 2015 will be a healthy, happy year for all our daycare families, staff and friends.

Thank you

Alice and Gwenda

News from the Eagles

Looking Back On December:

We hope you all had a wonderful holiday! Those that attended Eagles over the holidays had fun skating, swimming, sledding and doing crafts. The children and parents enjoyed our Holiday Family Gathering with yummy snacks and fun entertainment by the kids. The Eagles did a reading of "Twas the Night Before a Canadian Christmas" which was a big hit with both the children and adults

We wish you all a happy and healthy 2015!

Coming up in January:

With all the excitement of December we are looking forward to having some more relaxing times in January. There will be two half day Fridays back to back when we return to school, followed by two full day Fridays. We will be going skating on the pond on one day and sledding at Eagle Terrace the other. Please ensure your child is dressed for January weather!

Volunteer & Fundraising

VOLUNTEERS NEEDED:

We have received grant funding that will be used to take the garden to the next level. The project goals include an educational component for the children - nutrition and where food comes from, as well as cost savings for our food program.

We will require volunteers for 2 separate phases, the first being construction and the second being ongoing maintenance. Alpine Edibles will be project managing design, purchase, and installation of a shed/harvesting centre, green house and pergola/outdoor classroom area. They will also help our staff with garden-related programming. We will require volunteers to help them with construction over the spring and also for ongoing watering and weeding throughout the summer.

A BIG THANK YOU TO:

- Troy Ellis – for our new snow shovel
- Sandy Davis – for organizing our Purdy’s fundraiser and keeping our website up to date
- Mike Cadman – for tinting our classroom windows
- Craig Hudspith- for being the best Santa ever!

AND TO ALL THE PARENTS

- who graciously gave us gifts of goodies for the holidays- they were greatly appreciated (and devoured)
- who volunteer in all the little ways that help in the BIGGEST way possible

We appreciate all of your efforts in helping us maintain a wonderful organization.

AGAIN THANK YOU! THANK YOU! THANK YOU!

News from Junior Kindergarten

The Junior Kindergarten teachers would like to sincerely thank all of the parents, siblings, and assorted relatives for attending our Christmas party this past month. We hope that you enjoyed your time in our classroom, and that you and your family had a wonderful Christmas holiday season.

This next month, the Junior Kindergartens will be focusing on hibernation and the different animals that live above and below the snow. We will be exploring this with the use of a few wonderful winter stories. With the turning of the year, the children will also notice a stronger focus on literacy, with regular centre and carpet time devoted to letters and numbers. Hopefully it continues to snow so we can experience some of our favourite winter activities!
