We are also happy to welcome back Ashley as our Summer Coordinator at the BAS.

We say farewell to the following members of our team; Kayla's last day is May 13th. Adrienne who is moving to Golden, her last day is June 3rd, and Alyssa who is moving to Nelson in July.

Heidi left our JK program for knee surgery. Thanks to Rachel and Alice for supporting Laura in our JK classroom.

Kari has returned to her Rafting summer job but will continue to supply with us when she can.

Daycare News

The children had a fantastic time learning about the three R's for Earth Week. Activities included planting seeds, doing a garbage pick-up in our community, making recycled crafts, helping to recycle the Daycare's blue bins

and learning many ways to keep planet Earth happy.

Here is a favourite Earth song:

*Reduce, Reuse Recycle
-words that we all know.
We have to save our planet so we
can live and grow
We might be only children but we
will try—you'll see
And we can save this planet
-it starts with you and me!*

Ride your bike and help reduce pollution!
