\*In warmer weather children will spend extended time outside playing in the forest, on walks and exploring their local environment.

We have many community connections such as Music Magic, Parent Link, Biosphere institute, Library, Fire Dept, Public health, Dental Hygienists etc. Other past fun activities have included biking, skating, hiking, riding the roam bus, puppet shows, and many outside adventures!

We love for parents to come in and share a passion, professional knowledge or cultural experience with our students.
