

MEET YOUR JK TEACHERS

Lead teacher: Alice Conniff

I have worked at the Canmore Community Daycare Society since January 2010, as both Teacher and Program Director. I graduated as a Teacher in 2003 and I have taught in England, NZ and Canada. I am happy to now call the Rocky Mountains my home. I live here, in Canmore, with my husband Dean and two sons; Eddie and Archie. In our spare time we love to hike, bike, camp and ski. I have taught the Junior Kindergarten program since September 2016. I love working with this age group and the many adventures we get to share together.

Assistant teacher: Meghan James

Meghan has worked at the Daycare and School Age programs for the past two years and has recently joined our Junior Kindergarten team. She has lots of experience working with young children. Meghan was raised in Canmore and loves living in the beautiful mountains. In her spare time she enjoys family activities with husband Chris and daughter Aria, age 3.
