## News from the OOSC & Roundhouse

With Summer season here, so too are the walks on the trails for both the Roundhouse and OOSC children. To help keep our program participants safe, our annual bear safety training was run in association with WildSmart of the Biosphere Institute of the Bow Valley. Nick and Karen provided insight into the wildlife ecology of the Bow Valley through their expert knowledge and use of their EduKits such as pelts, scat/footprint replicas, training bear spray cans etc. Staff participated in topics such as recognising animals, how to give them space by active avoidance and how to handle an animal conflict.

All participants of our OOSC programs (Marmots, Eagles & Wolves) as well as the Grizzlies, Mountain Lions & Coyotes from the Roundhouse received amazing educational sessions about Bears, Cougars and Elk. Thank you WildSmart.

### **More OOSC & Roundhouse News**

Thank you to Miss Debbie Waddell for her contribution to the Canmore Daycare Society at both the Roundhouse and the OOSC. We wish her well in her future endeavors. She will be missed.

Miss Laure Wanlin our OOSC Assistant Co-ordinator has stepped up to help fill Debbie's shoes in the interim along with Miss Lindsay. Any OOSC questions can be directed to these amazing staff members at [oosinfo@canmoredaycare.com](mailto:oosinfo@canmoredaycare.com)

Roundhouse & OOSC staff bear awareness training with Wildsmart
